

February 3, 1971

Dear BMW Enthusiast,

There is at present an effort to form a National Capital Area Chapter of the BMW Car Club of America (BMWCCA). The club will offer technical assistance, form activities such as autocrosses, rallies, etc., and give members a chance to discuss and compare their favorite interests (BMW's, of course).

A meeting is scheduled to be held on February 26th, 1971. The meeting will be held in the Lanham, Md. area with the exact location dependent upon the projected size of attendance, so if you think you can attend please call either Ric Cavallero at (301)-577-8768 or Matt Daley at (301)-773-5623 before the 15th of February. After all responses are received you will be notified as to the exact location of the meeting.

Here's hoping you can attend.
